What a Blinder

One evening hubby told me to put a blindfold on and relax on our bed. I knew I was in for a good spanking and I braced myself for the beautiful stinging blows.

He told me he had a surprise for me and after a few blows he took off my blindfold.

My best mate Liz was on

**RUTH,

She licked me out while my boyfriend slammed his cock up her from behind. Then I wriggled round so I could lick her cunt and his swinging nuts as he screwed her.

After that it was my turn. My boyfriend got me on my back and draped my legs over his shoulders. As he pummelled into me Liz sat on my face and I slurped at her cunt.

Then my boyfriend took a back seat and pulled himself off as me and Liz had a juicy sixty-nine.

Finally he got on the bed and shot his load all over both of us.

We rubbed it into our cunts before licking it out of each other. I'd never cum so much as I did having just shown my cunt to the camera for the first time – it blew my mind!

I would recommend it!

Basque to the old school

Last Christmas, my bloke Steve got me this really beautiful red basque and sexy lingerie.

The feel of it got me horny and the sight me in it did the same for him, so we had an early night. I said maybe I'd better take it off, in case we damaged it as things hotted up, but he said leave it on.

He took the panties off me then had me lie there, playing with myself while he sniffed them and wanked his cock. I know his body well enough I can tell when he's about to shoot and it just spurted out, soaking down the silk.

He said he was sorry, he'd just got the urge, but I surprised myself, feeling turned on by the mess he'd made of me. And that led to a bit of a fetish, for the both of us.

I won't let him do anything more than spunk on that basque because I love it and it cost a fortune, but now

I've stocked up on cheap undies – everything from plain white cotton to cheap, slutty sex-shop knickers because

VICKY, YORKS

we both love it when he rips them off me!

I had an hour's wait for Steve after I got home, but

THE TATTERED FISHNET FRAMED MY TWAT AND NEAT, TRIMMED BUSH

Sometimes it's planned and sometimes it isn't, though. One day we went for lunch at quite a posh restaurant, so I was wearing a black pencil skirt and white shirt, sexed up with a pair of fishnet tights. We played footsie through most of the meal and when I came back from the loo, I handed him my panties – just simple black tangas.

When the waiter came to take our coffee order we asked him to delay it so we

resisted the temptation to play with myself. His cock was going to get some full-on pussy and he wasn't going to stop fucking me till I was totally satisfied.

I kept the same tights on, with a pair of knickers and a cheap, fitted T-shirt dress over the top. He got to the bedroom to find me playing with my tits, getting my nipples stiff, and he ripped the top half of my dress down to the waist, exposing

could go for "a ciggie". But Steve followed me into the ladies. I bent down over the loo and he hoicked my skirt right up around my waist, then I felt him dig his fingers into the mesh of the tights, ripping a massive hole in them right over my pussy.

He should have dropped his pants first – he was so worked up he could hardly get his flies undone, and the anticipation was killing me. But the hard-on he stuck in me was well worth the suspense.

It was fast, a bit of a bunny fuck, Steve trying to get off quick and me frigging like mad to get there too. In the end he shot first, but I kept on rubbing myself, finally bringing myself to orgasm as his cum spurted out over my hand.

After lunch I had to go back to my office, and Steve refused to give my knickers back. I cleaned myself up in the loos as best I could but had to spend all afternoon sat in a tight skirt, with a gaping hole torn in my tights and the memory of my bloke's length poking me through it.

them. I think that, given time, I could have cum just from him sucking them, but now he was tearing further down.

The knickers didn't last too long either, the elastic snapping and the cotton ripping as he yanked them off me. But he left the tights in place. It looked so slutty, more naked than naked, the tattered fishnet framing my twat, with its neat, trimmed bush. He hooked my knees over his elbows, then ploughed in, fucking me slower than we'd done earlier. He wrapped his fingertips in the fishnet, stretching it tight then rubbing it over my clit. It added so much friction I came almost instantly, my pussy massaging his cock. And I came once again before he pulled out and splattered my crotch and torn tights with a load of

thick, creamy jizz.

I'll make it clear, it's just a game – Steve would never do anything that I was uncomfortable with. I'm not even sure why I'm so into it – I think it just feels bad and forbidden, as I'm normally pretty fussy about my clothes! But if it makes us both cum, what's the harm?

Vicky, Yorks.

Luckily she's got a fan to cool us down. And we reckon she'll have thousands of new fans after she uses it to treat us to a burlesque show that leaves a lot less to the imagination than they usually do. As singularly unimaginative folk, that suits us fine.

TRUE BLUE

Porn director Scarlett Revell reveals how much fun it can be to call lights, camera and plenty of hot, fucking action!

As a teenager I used to collect and watch a lot of porn. I'd spend \$30 of my hard earned cash to buy a DVD, but when I watched it I was often left disappointed. Don't get me wrong – it still did the trick, but often the girls looked bored or lazy, the lighting was poor and generally it appeared amateurish. For the amount I was spending I wanted something that looked beautiful and showed amazing sex. I didn't understand why it was so difficult to find that. Perhaps because of that experience I knew I wanted to be a porn director. Now I've achieved it, I get to put my ideas out there and see my whole, sexy vision come together.

Currently I work for Harmony and have directed four films. To me directing adult movies is an art, because I think sex is such a beautiful thing. I like my films and the performers in them to look beautiful, so I'd say the style I'm developing is couture. I love fashion, lingerie mostly. I say couture because of the outfits I use and designers I work with. For example in my most recent film, *Sex in Venice*, all of the outfits were designed by Atsuko Kudo, a latex specialist who is Lady Gaga's designer. The girls look gorgeous in their beautiful outfits. I have to say, I love women in latex as it really emphasises every little thing about their body. If fashion magazines included porn, then my films would be in the pages of *Vogue* or *Harper's Bazaar*.

Obviously, there's more to adult directing than lingerie. I love my job because I get to look at people having sex and meet beautiful women. Basically, I get to tell people how to have sex and I make a story out of it. Then it becomes a DVD that people want to masturbate to and that's exciting for me. Whatever turns me on is what I film. For example, I have a lot of anal sex in my personal life, so I include a lot of anal play in my movies. That is a key bit of advice to any aspiring porn director: point the camera to what turns you on.

Being director isn't always easy and I work hard. Stepping on set as a director there is certainly more pressure. If things go wrong you have to be able to think on

REAL STORIES FROM THE SECRET WORLD OF UK SEX!

your feet. I remember when I arrived on set as director for my debut film

Mind Fuck. I was nervous, but you have to learn to compose yourself. Sometimes I didn't know what to do, but just went with my instincts. That's a skill I think every director has: if they're unsure about something, or something goes wrong, they find a way around it.

The toughest aspect is the intro to a scene, because it's heavily choreographed: I tell them what to do, how to do it, how everyone should be dressed; the make-up and everything is planned, but when it comes to the sex I know my guys are fantastic and will get me what I want. If the girl is new I can rely on him to move her, or know if I want the sex really hard or really romantic. If the girl is experienced I'll just be like, "Hey, give me what you've got," because sometimes when you let the actors have sex they'll come out with the most amazing thing.

For example, I was so lucky with the first scene I filmed for *Mind Fuck* and it's easily the hottest I've caught on camera so far; it was such a surprise! The scene was with Celeste Star, Skin Diamond and Adrianna Luna. I didn't know Celeste and Skin hadn't fucked each other before. They'd been on set together before, but never had sex. Not for lack of trying! That day I had the honour to see how these women would fuck each other. It was amazing! I kept filming and shot more than I needed to because they didn't want to stop! It was brilliant to see two women fuck each other's brains out: you rarely see that. I was getting a little tingle down there and I thought if I and other people in the room are feeling it, then this must be really good and it was! It got nominated for the AVN awards in the end.

What's next? Well, I'm not too sure. Perhaps something more story based. But you'll have to watch this space and I promise you'll be the first that I tell...

KATE & ZARA

"This year Kate and I are going to Trafalgar Square for Paddy's Day," grins Zara, putting the finishing touches to her authentic Irish national costume (from Poundland). "We're looking forward to going wild, winding up the English, downing pints of Guinness and sucking off Irish blokes who we like the look of. I want to wake up in the morning with a sore head knowing I've drunk far too much – in both senses!"

We used to have a soft-as-shit border collie we called Killer for a joke and Chastity's parents must have had a similar lame-ass sense of humour. But then we suppose they weren't to know that their daughter would turn into a raving sex maniac. "They were very religious, actually," she confides. "But the church wasn't for me, or not having sex before marriage. In someone else's marriage – well, that's a different story!"

My date Anthony took me to the flicks to see *Only God Forgives*. I'm a bit squeamish so it wasn't my choice of date movie, but he was so up for seeing it I went along with it.

I lasted about half an hour before I said I'd have to leave. I told Ant to hang around and

probably cope with anything he thought up.

"Tell you what," he said. "Pretend we've just met. We don't even know each other's names and all we want is a fuck."

I actually liked what I was hearing. I already thought he was a great shag, but

ZOE, HEREFORD

So much for

making things up to him – I'd had all the fun so far. But he wasn't finished yet. My knickers were flimsy enough that he could rip them off with one yank.

He grabbed me around the arse and braced me against the wall, lifting me slightly so I could slither down his body and onto his cock. Then he started banging into me. Even though he was jiggling me about on his shaft, it pretty much stayed deep inside me.

I started snogging him hard, and he pushed me up against the wall, one hand squeezing one of my tits really hard through my jumper, the other one snaking up my skirt to cup my pussy through my knickers. I felt myself begin

I'm not heavy but he could probably only hold me for so long. He put his jacket on the floor and asked me to kneel on it, then buttons flew everywhere as he ripped my blouse open. He yanked my bra down – it didn't tear but my tits fell out of it. Then he

I felt so daft and guilty that I was desperate to make it up to him. So the first alleyway I spotted, I dragged him down. "Right – anything you want, I'll do it," I told him. He said not to be silly, that I didn't have to do a thing, but when I talked him around to the idea he seemed to like it. I got a bit nervous when he looked like he was giving it some serious thought, but I knew I could

sometimes he'd be a bit too apologetic or cautious. Once, he spunked in my face after I gave him a blow job, and acted like he'd done something really awful, even though it turned me on.

Now, though, it was like I was fucking a different guy. He was probably a bit hyped up from what he'd seen of the film, and while he wasn't rough or nasty he seemed less worried about going for

to juice, and just in case he didn't yet feel it, I ground myself against his fingers. He got the hint, slipping his fingers inside my knickers and sinking three of them into my hole. His thumb was soon rubbing away at my clit, and within minutes I was cumming, soaking his palm.

Tree-some

I've got to be well into a woman to take her home to meet my parents, but Lisa more than qualified.

Their place is pretty big, and as she wandered around the garden she noticed the tree house my dad had built for me.

There was just about

jeans unzipped and had my hand wedged down her knickers, curled between her thighs to probe her twat. She was all hot, moist and lovely.

We spread our jackets on the floor and she got on all fours, sticking her gorgeous, peachy arse in the air.

I also found it horny that her jeans and knickers were still on, just down around her thighs. It meant she couldn't part her legs more than slightly, but I knew that would just make for a tighter fuck. I love how she looks with her swollen pussy lips sort of peeking out from between the cheeks of her arse.

Then we just enjoyed a slow, deep screw. We were both looking out of the little window, and I noticed a mate of mine, who'd said he'd be around to see us at some point, in the garden wondering

shaft to wank it against her tongue again. I had to bite on my own finger to muffle my groans, especially when I reached the point of no return. She opened her mouth wide and gave my prick one final wank, and I watched as my white sticky mess shot out to coat her tongue.

She winked at me then swallowed the whole lot.

Even if we'd disposed of that evidence all right, my parents must have known we'd been up to something, from all the looks and muffled laughs between me and Lisa when we had dinner with them later that evening.

Colin, Rotherham.

bursting out with the giggles, she clamped her twat tightly around my prick, which just made for an even better fuck.

She's screwed me often enough to know when I'm getting to the brink of cumming, and this time she slid forward off my prick, shuffling around to face me.

My prick was jutting up, quivering and glistening with

enough space for the two of us, and she fell in love with it. We also realised this was the first time we'd really had to ourselves since arriving. She started snogging me, and I kissed her back passionately.

Instantly, she had my cock out and she started wanking it to full hardness, bowing her head and rasping her tongue against the underside of my helmet. Meanwhile I got her

where the hell I was.

Knowing we could see him as we fucked but he couldn't see us, and knowing there was just the slightest chance he could come climbing up the tree – as he'd often done as a kid – also added an extra little thrill.

Lisa thought this was all hilarious but obviously she couldn't laugh out loud. The thing was, every time she tried to stop herself

Door to Whore

Ever feel you've been set up? I'm a 21-year-old student and I got a holiday job doing door-to-door sales. The work was a pain in the arse - you get told to fuck off so often that you

was a lesbian. They'd agreed that Karin could fuck men, as long as they were one-offs and she was honest with Michelle. And how much more honest can you get than screwing someone while the other person watches?

Karin explained that, while Michelle would be joining us in the bedroom, Karin would be the only one I'd get to screw. I didn't mind

of blokes ever get to do with a couple of women!

I was a little bit nervous, thinking Michelle must just put up with Karin fucking blokes and not be too pleased I was there, but she actually seemed to get off on the idea of watching Karin take my cock.

They decided to start things off together, which was a relief for me as I was a bit nervous. Karin did a

learn not to take it personally - but it was still nice when a woman, whom I'd say was in her mid-twenties, actually told me to come back later when her partner was home.

I was expecting a bloke, only to find out it was another woman. The first one, Karin, said, "Either you can spend an hour trying to sell us shite we don't want, or you can spend it screwing my brains out."

I must have looked shell-shocked, because she explained that she was bi, while her partner, Michelle,

- Karin was more my type anyway, and just watching the pair of them get stuck into each other is more than a lot

slow strip for me, then got her girlfriend naked, kissing and licking whichever part of her she'd just undressed. As

and Karin looked me in the eye as she licked her own fingers clean.

I knew my turn was next

they start snogging, boobs squashed flat in between each other's bodies, Karin slipped her fingers into Michelle's cunt. Michelle bucked against her hand, trembling as she finally orgasmed,

and I was hard and ready for it.

Wanking myself, I laid down on the bed, next to Michelle, who was all zonked out from her orgasm. Karin straddled my crotch, using her hand to rub my tip over her slit, then finally putting me inside her.

She rode me, not too fast, clenching her pussy muscles as she sank down, squeezing my cock as she took it deep.

But I was still having trouble keeping control of myself. I got her to stay still by meshing my fingers in her hair, and gently pulling her down for a snog. Then I sucked her nipples one at a time.

She kept on pressing and squeezing my prick with her inner walls, until I decided there was no shame in cumming anyway! I grabbed her by the hips and slammed up into her, her tits slapping against her ribs as she bounced up and down, then I was spunking hard and deep inside her.

I'd been so carried away, I'd hardly noticed Michelle wanking her already juiced-up twat right next

to me, until she took out a vibrator and started rubbing it over her clit.

Once I'd cum, she switched it off and let me have a suck on it, to get a taste of her juices too.

Immediately Karin had hauled herself off my length, she swivelled round so she was sixty-nining her girlfriend.

I watched as spunky wetness dripped out of her cunt and into Michelle's mouth, Michelle smacking her lips as she swallowed it down, then pulling Karin down hard so she could suck it out directly.

It's a real shame part of their pact was that Karin couldn't fuck the same man twice, but there was plenty to take my mind off what I was missing when I went back to Uni after the holidays!

Mark, Manchester.

25-year-old Kristine's touring holiday in the New Forest (or should that be Nude Forest) involved pub lunches, keeping the neighbours awake in B&Bs (and avoiding their glares at breakfast) and al fresco sex, lots and lots of al fresco sex. "Every time we stopped for petrol I said 'Fill her up!' and my boyfriend obliged on the back seat!" she grins. "Don't you feel so much hornier on holiday?!"

Sex factor

My bird Stella and I can get a bit competitive, which certainly keeps things ticking over in the bedroom – and out of it!

The other week, we were at the pictures. I had my jacket on my lap and, under it, Stella was wanking me off – pretty routine for us, if I'm totally honest. I spunked my load all over her hand and she just sat there, licking it off like it was the tastiest thing in the world. We carried on like that – a couple of times she stuck two fingers up her pussy, and gave them to me to lick clean.

Then she put her head in my lap and started sucking me off, right there in the back row. I shot off in her mouth and, dirty tart that she is, she moved up to give me a big snog so I

could taste myself on her tongue.

The film finished late, which meant a long journey home on the bus. The fucking would have to wait till we got back to our flat. When the bus came we went upstairs and sat in the seats right above the driver, and Stella asked me to play with her cunt.

I went one better – I'm a skinny bastard so there was just about enough room for me

kneel in front of the seat, with my face in Stella's crotch. Even she couldn't quite believe that I was being this blatant but I figured that, unless someone sat right next to us, no one would have a clue what we were doing.

I pulled her knickers to one side – there wasn't that much of them to start with, just one soaking-wet string – and started slurping away, sucking so hard on her clit that

SHE LICKED MY LOAD OFF HER HAND

Bigger the Batter

I've always liked big-titted women, and my girlfriend Dee has a pair right out of my dreams. She's of quite a small build so where her natural D-cups came from I don't know.

She loves it when we fuck with her sitting on my lap,

my prick stuck up her down to the hilt and my hands all over her boobs. The harder I squeeze them, the harder she cums – they're so sensitive.

For her birthday I gave her a sexy red corset. It shoved her tits right up and out, and was cut to give her a cleavage even with her boobs bared. She'd also put a bit of lipstick on her nipples, making them all red and stiff. I just stood there, my jaw on the floor, as she posed for me on the bed, fondling her own boobs. Then she lay back, kneading them together, before dipping a finger in her pussy and running it between them, leaving a moist trail.

I virtually flung myself on top of her, sitting over her chest with my hard cock slapped between her boobs. I had to reach back and scoop the juices out of her open pussy to lube up her cleavage, but when she was wet enough to fuck it was like I was in tit heaven.

Obviously, her breasts were the main attraction, but the corset added even more – I loved the feel of the smooth satin against my balls, which trailed over it as I screwed in and out of Dee's tits.

I'm pretty well-endowed – my dick doesn't even get lost between tits the size of Dee's. As I thrust in, my helmet would pop

I COULDN'T KEEP MY HANDS OFF HER TITS

out between her mounds, all red and swollen, and she'd take a lick at it, sometimes even slowing me down so

she could enjoy a suck. I just couldn't keep my hands off her tits – by now I'd taken over kneading them around

DEE,
WORCS

she had to muffle a moan. Whenever the bus stopped and I heard people come up the stairs I nearly panicked, but Stella just squeezed her

and threw her long coat over me, covering me down to the floor – some bloke had sat in the pair of seats across the aisle from ours. Then I felt her body relax and she whispered, "It's all right, he's pissed as a fart. Just keep licking."

Soon the thought of getting caught was more of a turn-on, and as I lapped away at Stella's cunt I reached down and started wanking myself. She was well gone too, reaching down to rub her clit as I buried my tongue down to the root inside her, and when she came I felt a little spurt of juices over my tongue.

I came into my own hand and wiped it over Stella's slit, then, I got up and sat

thighs against the sides of my head, holding me there.

I was just hitting my rhythm when she whispered "Shit!"

next to her, calm as you like – the bloke sitting near us had dozed off.

Leo, Leeds.

Swinging lessons

We met Roy and Sue on holiday and quickly worked out they were swingers. We've always been fascinated by that world so

shaven twat. She felt different to Amy – her body wasn't as soft and cuddly as Amy, and her tits weren't as big, but her cunt felt good clamped around my cock! I began to

fuck her, thrusting in and out. It must

have been like a scene in a porn movie – the two women lying on the bed, with us two guys fucking them!

We changed position, with me

lying down

and Sue straddling me. It was surreal to see her bouncing up and down on my cock. I could hear Amy moaning beside me. Roy was fucking her hard and fast. Her tits

Amy and I took the plunge one Saturday evening back at their villa.

It felt strange to have Sue handling my cock with my wife watching! Roy was getting out of his own clothes

HIS WIFE'S CUNT CLAMPED AROUND MY COCK

while Amy stepped out of her dress – she had nothing on underneath.

I watched while Roy gently caressed my wife's body and tasted her wet pussy. My cock was so hard seeing this that it ached! Sue was helping with that though, as she

were wobbling with the power of his thrusts. She suddenly said that she was cumming, and I watched as she writhed on Roy's cock through her climax.

It was such a horny sight for me I couldn't hold back and shot my wad inside Sue.

expertly gave me head and gently ticked my balls. Roy sank his dick into Amy's cunt – I nearly shot my bolt there and then! In all our years of marriage I'd never imagined how horny it would be to see another man fuck my wife!

His wife was waiting to feel my cock in her, so I obliged by feeding it into her neatly

Sue was frigging her clit with my spent cock still inside her, still grinding against my body. Roy came pretty quickly after I did, and Sue climaxed last – and loudest! After we lay there for a bit, spent, we went back to our own villa where I fucked Amy's just-fucked-by-Roy cunt!

STELLA, LEEDS

my length, so she just trailed her fingers over her nipples, gently scratching at them with her long red nails.

I tried to hold back, to string things out as long as I could, but there was no way I'd last that long – not with what I was seeing and feeling. Obviously, though, I had one last treat. I felt my balls bunch up against the red satin, and with my cock head looking like it might

burst I fired a thick, warm load all over Dee's big

creamy tits. Stray drops splashed over her chin and mouth and she licked her lips, scooping what she could reach with a finger. Then she had one last play with her boobs, working my spunk into her nipples, then shoving her globes together so sticky strings formed between them as she let them part again.

Now she's dropping hints that she wants another corset for Christmas, in black leather. It will be worth every penny!
